

Showtime Commandments

- **Attendance:** Please arrive at call time PROMPTLY. If your child is ill or cannot perform contact Lisa (515-9569) or Penny (660-5200) immediately between 7am – 10pm, so we can arrange for a triple to fill in.
- **Hygiene:** Everyone must bathe and wear deodorant daily before dress rehearsals and performances.
- **Availability:** Even if you are NOT performing, please remain accessible by cell phone during ALL shows should we need your child to fill-in.
- **Check-in:** Arrive at your call time promptly and check-in at the Green Room. Quiet activities are welcomed as long as they are not distracting.
- **Food:** Eat a meal PRIOR to arriving for performances. We will provide water and light, “costume friendly” snacks in the Green Room, so please do not send your child with any food or drink. Also, do not bring your child “treats” during intermission.
- **Make Up/Hair:** Please send your child in make up and hair done (as instructed) and with his/her make up kit. Label all contents clearly to prevent sharing. To prevent staining, do not put on lipstick until AFTER your child is in his costume.
- **Costumes:** All costume pieces will remain in the dressing rooms and should not be taken home. Also, please hang up your costume neatly in its garment bag after changing. Girls, please wear beige tanks or bras since you will be changing collectively. Please maintain respectful behavior in the dressing rooms.
- **Green Room:** No video games, cell phones, or other food is allowed in the green room. Parents and family members are not allowed in the green room unless they are working at that performance.
- **Meet and Greet:** After each performance, the children will go meet their fans (in costume), then go to the dressing room to change. Please be respectful of costumes (ie – no food/drink!) The kids will then return to the dressing rooms where parent volunteers will help the children change into street clothes and get them back to you as quickly as they can. Please only enter the dressing room area if you are assigned.
